

Norwich School Uniform Guidelines

NORWICH SCHOOL

One School. Many Voices.

Uniform at Norwich School

This booklet contains uniform information for starting at Norwich School and is split dependent on the entry point. Pupils are welcome to make some choices within the uniform guidelines, the options they have are shown in this document.

We have listed all the compulsory uniform below, and identified where this must be purchased from Schoolblazer (www.schoolblazer.com), or where you have your choice of shop or uniform supplier, for example John Lewis or M&S (marked with an asterix*). On Schoolblazer, you can set up your account with your child's measurements and House information and use their intelligent sizing system to help your purchase. Full details of sport specific games kit & equipment can be found at the end of this document.

Friends of Norwich School (FONS) also run a very useful and well stocked second-hand shop based in 71 The Close, and regularly communicate with the community around opening times.

We request all items of uniform and sports kit are clearly labelled, so we are able to return them to the correct pupil if they are mislaid. Please do contact the Admissions Team if you have any uniform queries: admissions@norwich-school.org.uk.

We will support pupils with aspects of their appearance that are required for reasons of religious observance. We subscribe to the recommendations made in the Halo Code regarding Afro-textured hair.

In general, clothing, shoes, hair, make-up, and jewellery will be safe, smart and not ostentatious in a busy school environment and suitable for our large site.

- Blazers should be worn when moving around the site unless permission is granted (e.g. in the event of hot weather).
- Shirts and blouses should be tucked in; top buttons done up; ties and pins worn smartly.
- Sixth Form skirts should be an appropriate length for the school environment, skirts for all other pupils should be on or near the knee.
- Jumpers and cardigans for pupils L4 upwards should be v-neck, plain, single colour and in grey, navy, black, or burgundy.
- Shoes should be black, flat, polishable, and practical for the school environment.
- Coats for pupils L4 upwards should be predominantly a single, dark colour: grey, navy, black or dark green. They should be simple, with minimal branding.
- All trousers, shorts, skirts and pinafores must be purchased from Schoolblazer.
