### Welcome to our new GAP Students.

Our two GAP students are Jonathan Nabbs and Monique Stubbing who both hail from New Zealand. Monique went to AUT and enjoys sports including hockey, soccer and rowing. Jonathan went to St Pauls Collegiate and also enjoys sports including rugby, rowing and outdoor pursuits. Despite the freezing weather they have been given a warm welcome by all the pupils and hope they thoroughly enjoy their year with the Lower School.

### Missing Coat

Olivia Keable has lost her school coat. Can everyone please check at home to see if they have got two by mistake.

## News Cont...

**Juggling Club** have made their own juggling balls and hopefully this will help reduce any damage when they are busy practising around the home! Mr Love hopes the group will soon be ready for a demonstration in morning assembly.

## Watercolours by Form 2

These pictures were created using a section of a photograph from a magazine and then extending it by imagining how the rest of the picture might look. They are very impressive.

Congratulations to the pupils pictured above who have achieved their 20 Star certificates.
