NORWICH SCHOOL

SECURE A PLACE FOR YOUR DAUGHTER

At what ages will Norwich School admit girls?

In September 2009, for the usual 16+ entry and every year group (ages 7-18) except 10+ and 15+.

In September 2010 and beyond: every year group.

What must I do?

We encourage parents of girls of any age to contact the Registrar in order to express their interest in a place at Norwich School. This does not commit the parent or the School but allows the Registrar to recognise your interest, answer your questions and provide you with any further information you require.

If you agree, you will then be invited formally to apply for a place. 6th Form applications for September entry are required by the preceding 1st November. Applications for September entry to all other years are required by the preceding 15th December.
