News

Last week we once again enjoyed success, both on the music and sporting fronts. Congratulations to the School and Chamber Choirs on singing beautifully at the County Music Festival. The big sporting event was the Mums versus Staff hockey match and the game did not disappoint! Well done to all those who bravely agreed to take part.

This week we have many more fixtures and two important run-throughs for the play. Mr Worton has said that all parts and song words should have been learnt by now. More information on the play will go out later this week.

Outstanding Choir... At the Norfolk County Music Festival the School Choir received the top mark of 'Outstanding' for the second year running. A remarkable achievement. They began with 'Look to the Rainbow' and finished with 'Little Spanish Town'. The standard of singing was described as 'pure and classy' by the adjudicator. The next day the Chamber Choir received a 'Highly Commended Plus', just missing out on the top award.

School Choir... Getting ready to perform

LS Staff 4 v LS Mums 0... The 'Big Match' was played on a sunny morning with a sizeable crowd of supporters. The staff got off to the perfect start with an early goal and managed to dominate the first quarter. After that it was a tight game with chances for both sides. The 'Man of the Match' awards went to Karan Cox for the mums and Tim Brook for the staff. Thanks go to the two umpires Nigel Cushion and Sam Rowe and to Mandy Ingham for organising the event. The mums put on an excellent buffet lunch afterwards and early talk of a re-match has begun!
