

# NORWICH SCHOOL

## Lower School Weekly News

### News

I hope everyone had an enjoyable week off. The week before half-term saw our rugby teams take on some of the best teams in the country. It was great to see them fight for every try and never give up. Particular congratulations to the U11 team who were a whisker away from the National finals.

This week we have 9 teams playing against Beeston Hall. Support as always is most welcome.

Preparations for 'Bugsy' are in full swing. We still need some parent volunteers so please contact Mrs Payton and she will be able to tell you about where help is needed. Ticket requests will go out shortly.

We seem to have a number of items of school uniform missing so please could everyone check at home to see if they have two coats (it has happened before!).

This Friday is the final session for Group 1 cycling.

### Beginners' Concert

Well done to all those who took part. There was an excellent variety of instruments including four singers and even those playing for the very first time played confidently.

### U11/10/9 Report

The boys gave their all in some highly competitive games. The U11 team won through to the main semi-finals without conceding a try and lost a close game only one match away from the National finals. The U10 and U9 teams drew tough

groups both containing the eventual winners. The U10s reached the plate final and lost a high scoring match against Chesham Prep. The U9s suffered their first defeat this season and they were unlucky to be knocked out at the group stage. It was an excellent learning curve for everyone and the school should feel proud at the level of rugby the boys achieved.

**Marilyn Brocklehurst** from the Norfolk Children's Book Centre gave a fascinating talk on reading and selecting books with our children. The school has established a strong link with the book centre as we continue to promote reading in the school. I have asked Marilyn to come in again at the end of an afternoon to fit in with pick up routines so that more parents can have a chance to hear her speak.
