

# NORWICH SCHOOL

## Lower School Weekly News

### News

Clubs and activities are now underway. If you want to join a club please check with the teacher in charge if there is a space for you to join. Pupils not attending their club must inform the club organiser that they will be absent.

This evening is Parents' Drinks and an opportunity to welcome new families to the Lower School as well as meet the staff.

On Saturday we are holding our Open Day. A letter has gone out requesting help with this event from pupils. In particular we need Form 3 pupils to act as guides.

We have today sent out new Reading guidelines in an effort to improve the variety of reading, reading out loud and a more effective way of keeping a record of reading. Later on this year we will be holding a Reading Seminar for parents. The library has been stocked with 2000 new books this year, do please come and take a look!
