## Lower School Weekly News

### News

Last week we had an excellent concert and the Under 11's had their first matches of the season. There are more details within the newsletter but well done to everyone for taking part.

The rugby teams had mixed success with a more experienced Taverham 'A' team racing into an unassailable lead before Norwich began to show their attacking strength. The Norwich 'B' team were convincing winners, showing real promise for future games.

The Third Form depart for the Peak District tomorrow and we hope the weather stays fine - at least for some of the trip!

There is no cycling awareness this Friday so please leave your bike at home.

On Wednesday of next week we have our Harvest Festival in the School Chapel and would appreciate donations of tinned food, biscuits and other non-perishable food items. These will be taken to the Salvation Army after the service. Unfortunately, due to limited seating, it is not possible for parents to attend the service.

### Informal Music Concert

Once again we had a wide variety of performers. Many played for the very first time. The standard of playing was excellent. Well done to all those who took part. y

## News Cont...

### Under 11 'B' Rugby versus Taverham. Report by Robbie Brett

On Friday the Under 11 'B' team played their first match of the season. We started very well when Will Jarrold broke down the left and scored in the very first minute. We dominated the first half and scored 3 more times from Cameron McLaren, Patrick Swinley and Will again. In the second half Taverham hit back with 2 quick tries, but we did not panic and replied with tries from Alex Moore, Charlie Rowe and Cameron again. The final score was Norwich 47, Taverham 12.

### Sailing Award

Well done to on passing the RYA Grade 2 sailing course.

### Music Concert

Picture here were two of the excellent performers in the Informal Concert which took place last Wednesday.

Renowned ornithologist Nick Williams came to the Lower School to show his fascinating slides of Norfolk bird habitats
