Lower School Weekly News

News

Last week was another busy and highly successful time in the Lower School. The Michaelmas Concert saw 101 pupils performing to a very high standard and showcased the full spectrum of performing arts talent in the school.

The rugby teams deserve credit for their three great wins against St Faith's. See report below.

I am pleased to announce that six LS projects are being supported by the PTA this year.

This week is Parents' Evening. Please go to your child's Form room at the allotted time. Coffee is available in the Practical Area. Mr Love and Mr Ingham will be in the library area to answer specific questions.

We have seven teams playing this week. Good luck to all, but especially to the U9 rugby teams who are playing their first games of the season.

Michaelmas Concert

The pupils put on a splendid concert. The groups were of a particular high standard as well as the class music. Well done to all those who took part.
