Lower School Weekly News

News

We enjoyed more success for our two unbeaten U11 teams. The U11 'A' rugby team won both their matches against St Faiths (26-12) and Culford (40-0) and the U11 'A' Hockey teams both recorded 11-0 victories against Norwich High School.

This week the Under 9 teams are playing both hockey and rugby matches and support is most welcome. Good luck to the U11 'A' Rugby team who will travel to Warwick on Sunday to try to qualify for the National Rugby finals to be held in March.

Parents' Evenings take place on Tuesday and Thursday of this week. Meetings are held in Form rooms (3B in the Meeting/Medical room). Tea & Coffee is available in the Practical Area. Pupils staying at school after 5pm should be booked into Extended Day.

Running Club L1/F1

Early Friday morning is not just good for running as Mr Brook snapped a rainbow ending close to the refectory.

U11 B's show fighting spirit... On Saturday the U11 'B' team won 10-0 in an entertaining game against Culford. Earlier in the week they were well beaten by a big, well drilled St Faiths team. However, the team hit back in style with two well worked tries in the first half. In the second half a number of excellent tackles stopped the opposition from scoring.

U11 Hockey defeat Norwich High School 11-0 twice!

In their first ever fixture against the High School the U11s were once again in awesome form, with both teams running out 11-0 winners. It was once again the team play and high skill level that just could not be matched by their opponents. The 'A' & 'B' teams have now scored 36 goals and conceded just 1 in our fixtures to date.

The backs launch another try-scoring strike move... The handling skills of the team have resulted in many high quality tries being scored. The 'A' team have, so far this season, scored 113 points and conceded just 12. Good luck to the boys next Sunday as they aim to qualify for the national finals.
