NORWICH SCHOOL

Tickets must be purchased on WisePay, please note there are a limited number of tickets available for each route. To plan the routes most effectively our preference is for full term tickets to be purchased, these tickets therefore attract the greatest value for money with a 20% saving compared to the 20 trip day tickets. All tickets will be checked by the driver and children should ensure they always have their current ticket with them.

Your child's ticket will be given directly to the driver once purchased on Wisepay, all tickets purchased over the summer holiday will be posted directly to the home address in advance of September.

Please be aware that there is a separate ticket to travel to and from Horstead - you will not need to purchase tickets for both the Redmayne and Holt routes.
