# Pony riders jump to it for a successful season

**Sara Mills**, of South Norfolk Pony Club, sends the first of her monthly reports

The summer has been filled with success, out competing for South Norfolk Pony Club. Oliver Kidner represented the club at the Pony Club Champs dressage finals in Cheshire, and finished an amazing 2nd in his section, and 12th overall. A thrilled senior eventing team brought home The Bloom Cup for the first time this year. Team members were Emily Bloom, Alice Young, Sophie Turner and Lily Spruce. At Burghley the showjumping team of Lucy Taplin, Atiya Bussey, Alice Young and Oliver Kidner had an incredible 2nd-place success, just missing out on the win through a pole in

the jump-off. At the Wilkinson Sword Pony Club Hunter Trial last weekend, members had individual successes with a win in the 80cm class by Millie Thurtle, and a team placing of 5th. Also, Oliver Kidner had a fantastic day with a 2nd in the 100 and 3rd-placing in the 90cm. **A super-friendly, small pony club, South Norfolk encourage all members to have fun and compete.
