Pupils at the Norwich School have raised more than £300 for a charity which supports disadvantaged children in Asia.

Sixth formers at the school led an assembly about the Norwich-based Care for Children at its Lower School, when children paid a pound to wear red or yellow, and at

Cringleford Primary School, where pupils placed coins around a map of China.

The schools also enjoyed Mandarin lessons led by the Mandarin Club.

Sixth former Anna Tighe, who worked on the project, said: "Working for Care for Children has been such a great opportunity to help fundraise for such a

worthy charity. It has given us all a sense of achievement and happiness knowing we've done something to help others who need it more than ourselves."

Though the charity currently works in China and Thailand, it has plans to expand into Vietnam. For more information, visit www.careforchildren.com
