

U15 girls winners of the Lady Taverners Norfolk schools competitions, held at the UEA, Old Buckenham High. Picture: NORFOLK CRICKET BOARD

The Lady Taverners Norfolk schools girls competitions have been held at the UEA Sportspark in Norwich, with a significant increase in the overall numbers taking part.

In the under-15s the outcome was decided by the fourth ball of the final over with Old Buckenham High successfully chasing a Norwich School total of 90-5 with four wickets remaining, with Broadland High third.

The U13 event was dominated by a strong Norwich School team who

won all their five matches to retain the trophy which they won last year. Runners-up were Flegg High, with newcomers Wymondham College finishing third.

Kevin Denmark, Norfolk Cricket Board development officer, said: "The overall standard was unbelievably high this year and we were overwhelmed to receive 16 entries in the under-15s and 12 in the under-13s which reflects all the good work currently going on in the county to promote and grow women and girls cricket."
