## ON Ambassadors

### Supporting ONs and pupils

The ON network continues to build year-on-year and a wealth of experience is available for everyone who leaves the school. Please make sure you make the most of the support that is available to you.

The events programme includes seven networking events, providing an opportunity for you to come together and meet old and new faces. If you would like to see an event near you, then please get in touch.

Many thanks to everyone who shares their time and expertise with ONs and the Norwich School community.

The success of this community would not happen without your help.

The full list of Ambassadors is available on pages 122 to 128.

## What does an Ambassador actually do?

Extend the ON network.

Make connections in your area, industry/ profession, or year group.

Offer career guidance to ONs and pupils.

Maybe offer work experience and internships.

Bring together people with shared interests in sports and activities. Organise teams for ON sports and music.

Help plan networking/reunion events.

Involve contemporaries/ON friends in activities and events.

Open doors to venues for networking and social events.

Be a point of contact in your area – UK or overseas. A familiar face away from home.

Help to find 'lost ONs' by reconnecting school friends with the school who may have lost touch since leaving.

Offer expertise at careers events for pupils or by giving futures talks to the Sixth Form pupils.

Assist recent leavers moving on to university.

To become an ON Ambassador, please contact Rachel Lightfoot, Development Manager

“I've been lucky enough to meet and help through giving work experience or actual employment to quite a few ONs. I see it as an unbelievable gift to be able to contribute in any way to people starting out on their careers. The journey from school to work is not an easy one and anything that gives people a leg up helps enormously. Of course in the end it is down to them and their talent as to how their careers go. But I really do believe in ONs when they walk in the door of my office and am yet to be disappointed by a single one.”

Matt Charlton (80-89)

“It can seem a daunting prospect, shouldering your way in and getting noticed. Having left university, the world of advertising was foreign. That's where the Ambassador programme run by Rachel and the ONs has proved invaluable. The programme provided a foot in the door which has enabled me to gain valuable experience and insight into the industry.”

James Graham (06-13)
