

gather 18

18 June - 5 July 2018

I am delighted to introduce to you the programme of events for Gather 18. Gather is Norwich School's end-of-year creative arts festival which sees a packed programme of music, drama, dance and exhibitions taking place during the last three weeks of the school year. There are opportunities for all pupils to perform and organise events, showcasing the wide-ranging creative talent that exists amongst our school community. The festival is the culmination of a great deal of hard work by pupils and teachers alike, not only in the weeks immediately preceding the performances but throughout the year. We place great emphasis on providing a rich and exciting creative education and I am sure that the benefits of this will be on show throughout the three weeks. I hope to see as many of you as possible at the various events during the festival.
